

Paradise Creek

Hopkins Valley

Public access up past the Ohau Ski field rd and onwards into the the Hopkins Valley. 2WD Access to Huxley Lodge(gate). High clearance 4WD can continue all the way up to the canyon (and beyond). All access requires fording the Huxley River, which is a major river.

Could base at Monument Hut (just off bottom of map) and do other canyons in area. Another option as a day trip is to drive to the gate, then mountain bike up valley (10km) to the exit of the canyon.

Has a large drainage, good look on the topo and marked waterfall. Likely to be quite technical and high volume.
